If TECHNIMOVE, having used its reasonable endeavours, fails to supply or complete the Services by such date or dates, such failure shall not constitute a breach of the Agreement. The Customer shall not be entitled to treat the Agreement as thereby repudiated or to rescind it or any ancillary agreement in whole or in part or claim compensation for such failure or for any consequential loss or damage resulting therefrom.

9. Assignment

- 9.1 TECHNIMOVE may assign, transfer, charge, sub-contract or delegate any of its rights under the Agreement and may sub-contract or delegate any of its obligations or responsibilities arising out of the Agreement to any of its business associates. - 11.2 TECHNIMOVE warrants that it will use reasonable care and skill in supplying the Services.
- 11.3 TECHNIMOVE provides no warranty that any result or objective can or will be achieved or attained at all as a result of its supply of the Services.

- 11.4 The following provisions set out TECHNIMOVE'S entire liability (including any liability for the acts and omissions of its employees and sub-contractors) to the Customer in respect of:
- 11.4.1 any breach of its contractual obligations arising out of the Agreement; and
 - 11.4.2 any representation, statement, breach of statutory duty or tortious act or omission, including negligence arising out of or in connection with the Agreement.
- 11.5 **The Customer's attention is drawn to the following provisions:**
- 11.5.1 TECHNIMOVE'S liability to the Customer for death or personal injury resulting from its own or that of its employees' and sub-contractors' negligence and for fraud or fraudulent misrepresentation shall not be limited;
 - 11.5.2 any other act or omission on the part of TECHNIMOVE falling outside Clause 11.5.1 shall be known as an **"Event of Default"**; and
 - 11.5.3 subject to the limits and exclusions set out below and in Clause 22, TECHNIMOVE shall accept liability to the Customer resulting from the negligence of TECHNIMOVE or its employees or sub-contractors or the breach of contract by TECHNIMOVE.
- 11.6 Subject to Clause 11.5.1:
- 11.6.1 TECHNIMOVE shall not in any circumstances be liable for loss of or damage to the Goods arising after it has ceased supplying Storage Services and Relocation Services, whether or not caused or contributed to directly or indirectly by any act, omission, neglect, default or other wrongdoing on the part of TECHNIMOVE, its employees or sub-contractors.
 - 11.6.2 TECHNIMOVE'S liability for negligence or breach of contract or otherwise under common law in relation to the Customer's Goods will be assessed as a sum equivalent to the cost of their repair or replacement, taking into account the age and condition of the Goods immediately prior to their loss or damage but always limited to the value declared to TECHNIMOVE under Clause 7.6 or £200,000, whichever is the least. If no such value is declared, or if the Customer so selects, TECHNIMOVE'S liability shall be limited to the maximum amount of £50 per item. In this respect, an **item** is defined as any one article, suite, pair, set, complete case, package, carton or other container. These limits may affect the Charges.
 - 11.6.3 TECHNIMOVE'S liability for repair under Clause 11.6.2 is limited to the reasonable cost of repair and no claim will be considered in respect of any depreciation in value of any item as a result of any such repair.
 - 11.6.4 Where any item consists of items in a pair or set, TECHNIMOVE will not pay more than the value of any particular part or parts which may be lost or damaged, without reference to any special value which such part or parts may have as part of a pair or set, nor more than a proportionate part of the declared value of the pair or set.
 - 11.6.5 If the value of the Customer's Goods declared are, at the time of loss or damage, collectively of greater value than the value declared, then the Customer will bear the equivalent proportion of the claim in the same ratio as the actual value exceeds the declared value.
 - 11.6.6 TECHNIMOVE is not liable on a "new for old" basis for any lost or damaged Goods.
 - 11.6.7 TECHNIMOVE shall not be liable to the extent that loss or damage is caused or contributed to by moving Goods under the Customer's express instructions, against TECHNIMOVE'S advice, and in a manner which is likely to cause damage.
 - 11.6.8 TECHNIMOVE is not liable for (1) electrical and mechanical derangement unless shown to be as a result of physical external damage to the item concerned or as a result of fire, flood, collision or overturning of road vehicles or other conveyances; (2) loss or damage which occurs prior to collection or packing by TECHNIMOVE or after delivery or unpacking by TECHNIMOVE; (3) loss or damage caused by wear and tear, gradual deterioration, warping or shrinkage, moth, vermin and/or insects or similar infestation unless it can reasonably be demonstrated that such loss or damage arose as a result of TECHNIMOVE'S actions or failings or those of its sub-contractors, agents or servants; (4) loss or damage caused by cleaning, repairing or restoring unless TECHNIMOVE arranged for the work to be carried out; or (5) loss or damage caused by changes to atmospheric conditions which result in mould, mildew, rusting, tarnishing or corrosion unless directly linked to ingress of water caused by TECHNIMOVE'S negligence or breach of contract.
 - 11.6.9 The Customer must notify TECHNIMOVE as soon as reasonably possible of any damage to the Premises or the Customer's property other than the Goods submitted for removal and/or storage by way of Relocation Services or Storage Services (as the case may be).
 - 11.6.10 Subject to TECHNIMOVE'S limitation of its liability under Clause 11.6.11, TECHNIMOVE'S liability in respect of the Premises howsoever arising and occasioned during the supply of the Services shall in all circumstances be limited to making good the damaged area only.
 - 11.6.11 Other than in respect of its liability in relation to the Customer's Goods which is as set out in Clause 11.6.2, TECHNIMOVE'S liability in respect of all claims made in respect of or in connection with the Agreement (including claims arising in contract, tort (including negligence), breach of statutory duty or arising in any other way out of the subject matter of the Agreement) shall not exceed a sum equal to the Charges actually received by TECHNIMOVE in respect of the Services to which the Event of Default and its liability relates or the amount of the Customer's proved loss, whichever is the lesser.

- 11.6.12 TECHNIMOVE shall not be liable to the Customer in respect of any Event of Default for loss of profits, goodwill or data or any type of special, indirect or consequential loss (including loss or damage suffered by the Customer as a result of an action brought by a third party) even if such loss was reasonably foreseeable or TECHNIMOVE had been advised of the possibility of the Customer incurring the same. If a number of Events of Default give rise substantially to the same loss then they shall be regarded as giving rise to only one claim under the Agreement.
- 11.6.13 TECHNIMOVE shall have no liability to the Customer in respect of any Event of Default unless the Customer shall have served written notice of the same upon TECHNIMOVE within 7 calendar days of the date it became aware of the circumstances giving rise to the Event of Default or the date when it ought reasonably to have become so aware by the exercise of reasonable diligence. TECHNIMOVE shall in any event be discharged from all liability whatsoever and howsoever arising in respect of any Event of Default unless legal proceedings are issued and served within 1 year of the date the Customer became aware of the circumstances giving rise to the Event of Default or the date when it ought reasonably to have become so aware by the exercise of reasonable diligence.
- 11.6.14 No employee of TECHNIMOVE shall be separately liable to the Customer for any loss, damage, mis-delivery, errors or omissions under the terms of these Terms and Conditions and the Agreement.
- 11.7 The Customer hereby agrees to afford TECHNIMOVE not less than 60 days in which to remedy any Event of Default which is capable of remedy.
- 11.8 Nothing in this Clause 11 shall confer any right or remedy upon the Customer to which it would not otherwise be legally entitled.
- 11.9 Each exclusion and limitation in these Terms and Conditions exists separately and cumulatively.

12. Term

- 12.1 The Agreement shall be effective as of the Commencement Date and shall continue in effect until the Services have been completed unless terminated earlier as provided in these Terms and Conditions or unless renewed or otherwise extended by mutual written agreement between the parties.

13. Termination

- 13.1 Without prejudice to any other provision contained within these Terms and Conditions or of the Agreement, TECHNIMOVE may terminate the Agreement by notice in writing in any of the following events:
 - 13.1.1 the Customer commits a material breach of the Agreement which is incapable of remedy; or
 - 13.1.2 the Customer commits a material breach of the Agreement which is capable of remedy but which the Customer fails to remedy within 14 calendar days of written notice by TECHNIMOVE specifying the breach and requiring its remedy.
- 13.2 TECHNIMOVE and the Customer may by notice in writing to the other terminate the Agreement if the other shall have a receiver or liquidator appointed, shall pass a resolution for winding up (otherwise than for the purpose of a solvent amalgamation or reconstruction), if a court shall make an order to that effect, if the other party shall enter into a composition or arrangement with its creditor(s) or shall become insolvent. Such an event shall be deemed to be a material breach of the Agreement which is incapable of remedy.

14. Consequences of Termination

- 14.1 Any termination of the Agreement howsoever caused shall not affect any accrued rights or liabilities of either TECHNIMOVE or the Customer arising out of the Agreement.
- 14.2 Upon termination of the Agreement howsoever caused, if TECHNIMOVE was supplying Storage Services then it may require the removal of the Goods forthwith. If the Goods are not removed after notice is given by TECHNIMOVE in accordance with this Clause 14.2 then TECHNIMOVE may, at its absolute discretion, sell the Goods after the lapse of a reasonable period of time after notice of its intention to sell the Goods is given by it.

15. Lien

- 15.1 TECHNIMOVE shall have a particular lien on the Goods for any unpaid Charges or for any unpaid sums whatsoever. If such lien is not satisfied within a reasonable time, TECHNIMOVE may sell the Goods as agent for the owner and apply the proceeds towards any sums unpaid and the expenses of the insurance and sale of the Goods and shall, upon accounting to the Customer for any balance remaining, be discharged from all liability whatsoever in respect of the Goods.

16. Fair and Reasonable

- 16.1 The Customer acknowledges that the provisions of these Terms and Conditions are essential to protect the legitimate commercial and business interests of TECHNIMOVE and that they are fair and reasonable having regard to the level of the Charges.

17. Notices

- 17.1 Any notice pursuant to the Agreement shall be in writing, shall be delivered personally, sent by prepaid delivery, by facsimile transmission or e-mail to the party due to receive such notice at the address or number of the party as notified when entering into the Agreement or to such other address or number as shall be notified in writing to the other party to the Agreement from time to time.
- 17.2 Any notice delivered personally shall be deemed to be received when delivered. Any notice sent by prepaid delivery shall be deemed (in the absence of evidence of earlier receipt) to be received 2 days after posting. In proving the time of dispatch it shall be sufficient to show that the envelope containing such notice was properly posted.
- 17.3 Any notice sent by facsimile transmission or e-mail shall be deemed to have been received upon on the next day after transmission.

18. Waiver

- 18.1 The rights and remedies of either party under the Agreement shall not be diminished, waived or extinguished by the granting of any indulgence, forbearance or extension of time by the other party nor any failure or delay by the other party in asserting or exercising any such rights or remedies.

19. Severance

- 19.1 If at any time one or more clause, paragraph, subparagraph or any other part of the Agreement or these Terms and Conditions is held to be, or becomes, void or otherwise unenforceable for any reason under any applicable law the same shall be deemed omitted and the validity and/or enforceability of the remaining provisions of the Agreement or these Terms and Conditions shall not in any way be affected or impaired thereby.
- 19.2 If any invalid, unenforceable or illegal provision of the Agreement or these Terms and Conditions would be valid, enforceable and legal if some part of it were deleted or amended, the provision shall apply with the minimum modification necessary to make it legal, valid and enforceable.

20. Variation

- 20.1 Subject to Clause 20.2, no variation in the provisions of the Agreement or the scope of the Services shall be of any effect unless made in writing and signed on behalf of the Customer and TECHNIMOVE.
- 20.2 These Terms and Conditions may be revised by TECHNIMOVE from time to time. Any such revision shall not become effective until after the expiry of 21 calendar days from the date notice of the proposed revision is given to the Customer.

21. Set-off

- 21.1 All payments due from the Customer shall be made without any set-off, deduction or deferment of any nature regardless of any dispute which the Customer has or alleges it has against TECHNIMOVE.
- 21.2 TECHNIMOVE may set-off any sum it may owe to the Customer against any sum the Customer may owe to it.

22. Force Majeure and Exclusion of Liability

- 22.1 In the event that either party is prevented from fulfilling its obligations under the Agreement by reason of any supervening event beyond its reasonable control including but not limited to Act of God, war, invasion, acts of foreign enemies, hostilities (whether war is declared or not), civil war, terrorism, rebellion and/or military coup, national emergency, civil disturbance, extensive disruption of public services, flood, earthquake, industrial action, strike or lockout, mechanical breakdown in respect of any TECHNIMOVE vehicle, impedance by any road traffic congestion and adverse weather conditions, subject to Clause 22.2, the party shall not be deemed to be in breach of its obligations under the Agreement. The party shall promptly give written notice of this to the other party and must take all reasonable steps to resume performance of its obligations.
- 22.2 Clause 22.1 shall not apply with respect to strikes and lockouts where such action has been induced by the party so incapacitated.
- 22.3 Other than as a result of TECHNIMOVE's negligence or breach of contract, TECHNIMOVE will not be liable for any loss or damage if:
 - 22.3.1 caused by electrical or mechanical derangement to any Goods unless there is any evidence of related external damage caused by TECHNIMOVE; or
